

THE PIG-in the South Downs - Walk 3

A Short Vineyard Stroll

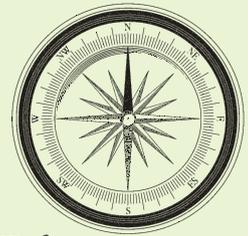

Approx. 1 mile (less than 20 minutes)

Please always stick to the footpath which is appropriately marked.

1. Firstly, pop by reception for wellington boots!
2. Take a right as you leave the hotel main entrance, go down the main lane towards the bend with white railings on your right at the end.
Go 'around the bend' and either take the immediate left onto the yellow sign posted footpath through the wood or carry on the lane and visit St Mary Church. (If visited the church retrace steps back to the footpath into the wood.)
3. Enter the wood, there is a straight tunnel through the trees.
4. At the far end of the wood is the vineyard field gate, go through, please make sure you close the gate.
5. Walk across the beautiful vine yard and through the kissing gate at the far end.
6. Down onto the lane, turn right. After a short distance before the manicured hedge on your left are the rails and stock fencing of a track back up the side of our sheep field.
7. Take the track up the hill admiring the northern view across our sheep field back up to the car park of the Pig.
8. Having stretched your legs, take off your wellies and join us in the bar for a foragers fizz.
